

WAIFF

WORLD AI FILM FESTIVAL

Competition Rules – Edition

- 2027 -

Article 1 – Competition Organizers.

The Institut EuropIA, an association governed by the French law of July 1, 1901, registered with the sub-prefecture of Grasse under number W061013887, with its registered office at 2000, route des Lucioles, Les Algorithmes – Building A, Thales, 06410 Biot, represented by Mr. Marco Landi, in his capacity as President, duly authorized for this purpose.

Together with STUDIO LAFFITTE, SAS, whose registered office is located at 73, chemin des Terriers, 06300 Antibes (France), SIRET number 949 419 907 00025, represented by its President, Mr. Julien RAOUT, holder of the operating license for the World AI Film Festival 2026 dated October 20, 2025,

Article 2 – General Information.

2.1 Description of the Competition

The Institut EuropIA, with Studio Laffitte, organize the World AI Film Festival (WAIFF), a competition partly free of any purchase obligation, focused on the creation of films using Artificial Intelligence tools. This competition is entitled “WAIFF” (hereinafter referred to as “the Competition”).

2.2 WAIFF 2027 – Vision

The World AI Film Festival strongly supports the rights and fair treatment of content creators and talent regarding compensation and intellectual property, everywhere in the process of acting, screenwriting, animation, directing, production, and all other activities involved in film making.

The World AI Film Festival encourage open discussion regarding the utilization of AI tools and how that affects people in the industry. We honor independent and student filmmakers from very diverse communities worldwide.

The Competition emphasizes cinematic language, narrative structure, visual aesthetics, and creative methodology. Human creativity is the core component.

2.3 WAIFF 2027 – Competition Categories

The World AI Film Festival welcomes a wide range of creative approaches. Both fully AI-generated films and hybrid productions (combining live-action and AI-generated content) are eligible, provided that the use of AI is significant and meaningfully contributes to the work. This will be carefully assessed by the selection committee.

Applicants must strictly adhere to the specified formats and runtimes for each category. Submissions that do not comply with these requirements may not be considered.

FILM COMPETITION : Produced within the last 12 months

The Festival maintains a strong commitment to originality and authorship. **Works relying on deepfake technologies, or those that closely replicate or imitate existing works, styles, or identifiable creations, will not be eligible for selection.**

International Competition :

The International Competition is the place where the different horizons that make up the diversity of World AI shorts films and features, meet and intersect. Animated, Documentaries, Comedies, Genre films (Fantasy, Action), Advertising, Music videos, Graduation works from the world's best schools, hybrid films or full AI films, 3D worlds films – here are our 7 Competitions to take you into worlds that only AI filmmakers can create.

1. Short Film : Runtime: 5 to 15 minutes

2. Masterpieces : Runtime: 30 minutes or more. This competition category is not open to all participants. It features a selection of international films chosen by the organizers, which will be presented as part of a specific official selection.

3. Vertical micro-series / Vertical single piece : Runtime: less than 3 minutes per episode / Format: Vertical (9:16) / Structure: 4 to 6 episodes (micro-series). Runtime less than 3 minutes / Vertical (9:16) / Single piece

4. Advertising / Branded Content : Runtime: No time limit

5. Music Video : AI-generated or AI-assisted music videos. Runtime: No time limit

6. Documentary : Films incorporating or created using AI technologies. Runtime : 15 to 90 minutes

7. 3D worlds : Runtime: 2 to 5 minutes / This category includes immersive and AI-driven interactive experiences such as AR, VR, XR, spatial computing, game cinematics, gameplay demos, and interactive storytelling. / Submissions must include a screen-recorded walkthrough for jury evaluation.

8. WAIFF Horizons brings together the top finalists selected by each partner country of the World AI Film Festival. Each film showcases its country's culture, imagination, and artistic sensibility through the new cinematic languages created with AI. Presented during the Grand Finale in Cannes, this competition celebrates unique voices and a vision of AI cinema deeply rooted in global cultural diversity.

2.3 Event Schedule

The key stages and dates of WAiFF 2027 are as follows:

Submission period: begins on **15/06/2026 at 10:00 a.m. and closes on 15/02/2027 at 11:59 p.m.**

The competition organizing teams will verify compliance with participation requirements (see Article 5) in order to validate each submission.

Selection of finalists: from 17/02/2027 to 7/03/2027. At the end of this stage, finalists will be designated as follows:

- Finalists selected by the WAiFF committee.
- Finalists proposed by partner countries.

Screening of finalist works: during WAiFF on 6 and 7/04/2027.

Announcement of winners: April 7, 2027, during the Awards ceremony in Cannes.

Article 3 – Conditions of Participation.

3.1 Eligibility

The Competition is open to any natural person worldwide, with the exception of employees of the Organizer and Companies involved in the organization or execution of the Competition, as well as their families.

Minor participants must obtain prior parental authorization. The Organizer reserves the right to request this authorization at any time and to cancel the participation of any minor who does not meet these conditions.

For the purposes of these Rules, a minor is any person under eighteen (18) years of age. Any minor wishing to participate in the Competition must provide, prior to validation of the submission, a written authorization signed by his or her legal guardian(s), expressly authorizing: (i) participation in the Competition; (ii) the submission of the Work; and (iii) the broadcasting, screening, communication and promotional uses provided for in these Rules, including the use of the minor participant's name, country, age and, where applicable, image and voice. The Organizer reserves the right to request supporting documentation at any time and to refuse or cancel any participation that does not comply with these requirements. Participants who are minors under the laws of their country of residence remain responsible for complying with any mandatory local legal requirements applicable to their participation, including, where applicable, any specific rules governing the participation of minors in entertainment activities (such as, without limitation, the Coogan Law provisions applicable in certain United States jurisdictions — California Family Code §6750 et seq.).

3.2 Entry Fee : Terms and Conditions

During the first EARLY BIRD registration phase, the entry fee is set at **15.00 EUR** including tax (VAT not inclusive of any applicable) taxes per submitted work, **from June 15 to November 15**

During the second registration phase, the participation fee is set at **30.00 EUR** including tax (VAT not inclusive of any applicable) taxes per submitted work, **from November 16 to January 31.**

During the third registration phase, SLEEP LATE, the participation fee is set at **60.00 EUR** including tax (VAT not inclusive of any applicable) taxes per submitted work, **from February 1 to 15.**

The Festival management may offer reduced participation fees to organizations (distribution companies, schools) wishing to submit multiple works.

Depending on the platform through which the applicant submits their work, additional fees associated with that platform may apply.

3.2 bis — Free Participation Option

In accordance with applicable French law, a free participation option is available to all candidates. Any person wishing to participate in the Competition without payment of the entry fee may submit their entry by sending a written request by postal mail to the following address: Studio LAFFITTE, 73 chemin des Terriers, 06300 Antibes, France, including the following documents: (i) the submitted film on a physical medium (USB drive or DVD); (ii) all required documents as listed in Article 5 for the relevant category; (iii) a handwritten letter requesting free participation.

Free entries submitted by postal mail are subject to the same eligibility criteria, evaluation process and jury assessment as paid entries. The free participation option does not limit the number of free submissions per participant. The Organizer shall acknowledge receipt of free entries within fifteen (15) business days of receipt. The availability of this free participation option shall be prominently displayed on the official website www.worldaifilmfestival.com, in the registration form, and in all marketing communications relating to entry fees.

3.3 Broadcasting and Promotional Use of Films

By participating, candidates authorize the broadcasting of their Film, in whole or in part, on the Festival Website, during public events organized or co-organized by Studio Laffitte and its partners at WAIFF, on social networks, as well as on other websites of WAIFF partners.

This authorization also includes screenings in cinemas with mention of the participant's first and last name, pseudonym (if requested), country, and age. This license is granted without financial compensation, for a duration **of 18 months** from the date of submission of the work.

This authorization is granted free of charge. Consequently, the broadcasting of the Film shall not give rise to any financial or other compensation. The decision to broadcast or not broadcast the Film, as well as the terms and frequency of such broadcasting, shall remain at the sole discretion of the Organizer.

By submitting a film to the World AI Film Festival (WAIFF), candidates retain full copyright and intellectual property rights to their work.

However, participants grant WAIFF, Studio Laffitte (holder of the operating license for the World AI Film Festival 2026/27), as well as their official partners, licensees, and sub-licensees, a non-exclusive, worldwide, royalty-free license, limited in time, for the following uses:

Screening of the work within the framework of the festival (official selections, special screenings, ceremonies).

Screening of the work within the framework of associated and WAIFF-labeled events, in France and internationally (public screenings, conferences, exhibitions, promotional tours).

Use of excerpts or the entire film for the purposes of promoting and communicating about the festival (digital media, press, social networks, trailers, official compilations).

Any direct commercial use of the film (outside of public screenings related to the festival and its promotion, outside of its usual setting, every year in Cannes) shall remain subject to the prior express authorization of the rights holders.

Participants acknowledge that the legal protection of a submitted Work under copyright or similar intellectual property laws may depend on the existence of

sufficient human creative contribution under the law applicable to such Work. This applies in particular to works that are fully or substantially generated by artificial intelligence tools, for which copyright protection may not be available under French law (Art. L. 111-1 CPI), United States law (US Copyright Office guidance 2023-2024), or other applicable national laws.

Each participant represents and warrants that he or she holds, or has validly secured, all rights, authorizations and permissions necessary to submit the Work, to participate in the Competition, and to grant the licenses set out in these Rules. The Organizer makes no representation or warranty as to the copyright eligibility of any submitted Work.

Any use by licensees or sub-licensees of WAIFF or Studio Laffitte shall be strictly limited to the purposes and conditions set forth in these Regulations. Such licensees and sub-licensees shall not be entitled to: (i) modify, cut, transform, adapt or distort the Work in any manner; (ii) use the Work in a context that is misleading, derogatory or harmful to the author's reputation; (iii) grant any further sub-license without the prior written consent of WAIFF and the participant. The author's moral rights, as protected under French law (Art. L. 121-1 CPI) and applicable international conventions, are expressly reserved and shall not be affected by this license.

1. **3.4 Team Participation**

A film may be created by several people. In such cases, a project leader must be designated with Studio Laffitte and the Competition juries. Awards are attributed to the credited director or designated representative of the work

Since the award is personal and non-transferable, only the main director will receive the award in the event of a win.

3.5 Validity of Entries

Any entry not complying with the conditions defined in these rules will not be considered. Any incomplete entry, submission outside the deadlines, or failure to comply with the general conditions defined in this document will be declared void.

3.6 Fraud and Attempted Cheating

Any fraud or attempted cheating, such as creating false identities to register multiple times, or failure to comply with the Creation Charter, may result in a permanent ban from participating in the Competition.

Article 4 – Commitments and Responsibilities of Participants.

4.1 Warranties Provided by Participants

The participant guarantees to Studio Laffitte that :

The Film is an original creation, and all elements it contains are not copied from any third party.

The Film complies with all applicable laws, including those relating to intellectual property, privacy, defamation, public decency, and public order.

No element protected by intellectual property rights is included in the Film without the prior authorization of the rights holders.

The Film contains no advertising, no element infringing the rights of third parties, and no resemblance likely to be interpreted as plagiarism.

The participant holds all rights necessary for the broadcasting of the Film.

The participant has obtained the necessary consents from the individuals represented in the Film, as well as from the owners of locations or property visible in the Film.

The participant has not taken, and will not take, any action that could compromise the broadcasting of the Film under the conditions provided for in these rules.

In the event of third-party claims regarding the broadcasting of the Film, Studio Laffitte and its partners reserve the right to immediately cease broadcasting the Film, which the participant accepts unconditionally. The festival Organization will not be responsible for any legal issues related to the submitted films.

Participants retain the copyright to their works but accept that their videos may be used in the context of promotional events organized by Studio Laffitte and its partners.

Article 5 – Application Validation Criteria.

To have their application validated, each participant must follow the registration steps available on the official website, depending on the category in which they wish to compete. The validation criteria vary according to the selected category.

1. 5.1 Short Film Category.

Runtime: 5 to 15 minutes

Candidates wishing to participate in the Short Film category must submit their work in accordance with the following conditions:

Duration: the Film must have a length of **between 5 minutes (minimum) and 15 minutes (maximum).**

Storyelling :

Your film should tell a cohesive and emotionally resonant story:

Clear narrative structure: beginning, middle, end

Character development

Dialogue-driven scenes or monologue arcs

Emotional impact or message clarity

Use of conflict, tension, or resolution

Story logic and internal consistency

Use of AI: Eligible works must include a substantial use of AI-generated visual content as part of the filmmaking process. Both fully AI-generated and hybrid productions are accepted. The eligibility and relevance of AI integration shall be determined by the WAIFF selection committee.

Format and Quality: the Film must be submitted in digital format (.mp4 or .mov) and in High Definition.

Language: The film must be in English or presented in its original language with English subtitles. (Finalists will be required to provide a French-subtitled version.)

Required Documents:

A representative still image from the Film (.jpeg)

A short presentation of the Film

A production journal detailing the use of Generative Artificial Intelligence tools in the creation of the Film

A biography or CV of the director

Submission Method: Films and the required documents must be uploaded to the official platform: www.worldaifilmfestival.com

Eligible genres : Animated, Documentaries, Comedies, Emotion/Action/Fantasy films, Graduation works

1.

1.1.Masterpieces :

Runtime: more than 30 minutes

This competition is not accessible via the website.

The Organizers select the cutting-edge AI filmmakers from all over the world to be included in this Competition category.

Filmmakers are selected by the WAIFF artistic committee on the basis of the following general criteria: (i) recognized contribution to AI-assisted or AI-generated cinema at an international level; (ii) exceptional technical and artistic quality of prior works; (iii) innovative use of artificial intelligence in the filmmaking process. Selection by invitation does not confer any financial right or guarantee of award on the selected filmmaker. Selected filmmakers will be notified directly by the Organizer.

1.

1.1.Vertical micro-series / Vertical single piece :

Runtime less than 3 minutes / per episode (Vertical Micro-Series)

Runtime : less than 3 minutes (Single Piece)

Candidates wishing to participate in this category must submit their micro-series or their single piece in accordance with the following conditions:

Duration and Narrative Format (9:16) :

the micro-series must include **4 to 6 episodes**, each with a **maximum duration of 2 minutes**.

The Single piece : a maximum duration of 3 minutes

Use of AI: Eligible works must include a substantial use of AI-generated visual content as part of the filmmaking process. Both fully AI-generated and hybrid productions are accepted. The eligibility and relevance of AI integration shall be determined by the WAIFF selection committee.

Format and Quality: the Film must be submitted in digital format (.mp4 or .mov) and in High Definition.

Language: The film must be in English or presented in its original language with English subtitles. (Finalists will be required to provide a French-subtitled version.)

Required Documents:

A representative still image from the Film (.jpeg)

A short presentation of the Film

A production journal detailing the use of Generative Artificial Intelligence tools in the creation of the Film

A biography or CV of the director

Submission Method: Films and the required documents must be uploaded to the official platform: www.worldaiffilmfestival.com

1.

1.1. Advertising & Branded Content

Runtime: No time limit

Candidates wishing to participate in this category must submit their film in accordance with the following conditions:

Year of production : 2026/2027. In this category of the Competition, what matters is that the campaign is recent. Eligible advertising films must therefore have been produced in 2026 and up until the deadline for submissions: February 15, 2027. Films of any length are permitted. The advertisement must demonstrate creative design work (name, logo, visual identity, advertising storytelling, etc.).

Use of AI: Eligible works must include a substantial use of AI-generated visual content as part of the filmmaking process. Both fully AI-generated and hybrid productions are accepted. The eligibility and relevance of AI integration shall be determined by the WAIFF selection committee.

Format and Quality: the Film must be submitted in digital format (.mp4 or .mov)

and in High Definition. Runtime: No time limit

Language: The film must be in English or presented in its original language with English subtitles. (Finalists will be required to provide a French-subtitled version.)

Required Documents:

A representative still image from the Film (.jpeg)

A short presentation of the Film

A production journal detailing the use of Generative Artificial Intelligence tools in the creation of the Film

A biography or CV of the director

Submission Method: Films and the required documents must be uploaded to the official platform: www.worldaifilmfestival.com

5.5 Music Video :

Runtime: No time limit

Candidates wishing to participate in this category must submit their film in accordance with the following conditions:

In this category, we are looking for music videos that showcase high energy, style and emotional impact. Submissions should demonstrate memorable melodies, compelling vocals, and high-quality production. Genres including :

- Pop / Asia PopHip-Hop / Rap
- Electronic / EDM
- Rock / Country / Metal
- Musical Comedy
- Experimental

This list is not exhaustive, so use your best judgement.

Use of AI: Visuals: Your submission MUST include a visual element and cannot only be the song by itself. We are looking for Music Videos, not simple lyric videos nor songs with a static album cover.

Eligible works must include a substantial use of AI-generated visual content as part of the filmmaking process. Both fully AI-generated and hybrid productions are accepted. The eligibility and relevance of AI integration shall be determined by the WAIFF selection committee..

Format and Quality: the Film must be submitted in digital format (.mp4 or .mov) and in High Definition. Runtime: No time limit

Language: The Music video must be in English or presented in its original language with English subtitles. (Finalists will be required to provide a French-subtitled version.)

Required Documents:

A representative still image from the video (.jpeg)

A short presentation of the video

A production journal detailing the use of Generative Artificial Intelligence tools in the creation of the video (music + video)

A biography or CV of the director

Submission Method: Films and the required documents must be uploaded to the official platform: www.worldaifilmfestival.com

5.6. Documentary

Runtime : 15 to 90 minutes

Candidates wishing to participate in this category must submit their film in accordance with the following conditions:

Year of production : 2026/2027 : The film should showcase fresh storytelling, innovative artistic vision, and an original approach to filmmaking. It should captivate audiences with its unique perspective, engaging storytelling techniques, or unexpected artistic elements.

Use of AI: Eligible works must include a substantial use of AI-generated visual content as part of the filmmaking process. Both fully AI-generated and hybrid productions are accepted. The eligibility and relevance of AI integration shall be determined by the WAIFF selection committee.

Format and Quality: the Film must be submitted in digital format (.mp4 or .mov) and in High Definition.

Language: The film must be in English or presented in its original language with English subtitles. (Finalists will be required to provide a French-subtitled version.)

Required Documents:

A representative still image from the Film (.jpeg)

A short presentation of the Film

A production journal detailing the use of Generative Artificial Intelligence tools in the creation of the Film

A biography or CV of the director

Submission Method: Films and the required documents must be uploaded to the official platform: www.worldaifilmfestival.com

5.7. 3D worlds :

Runtime: 2 to 5 minutes.

Are you interested in creating a story with World-style consistency? An immersive story where viewers can interact? We at the World AI Film Festival are very interested ! From video game cinematic to a new narrative model for fiction, we look forward to seeing your films...

Candidates wishing to participate in this category must submit their 3D film, in accordance with the following conditions:

Eligibility : This category includes immersive and AI-driven interactive experiences such as AR, VR, XR, spatial computing, game cinematics, gameplay demos, and interactive storytelling. / Submissions must include a screen-recorded walkthrough for jury evaluation.

Use of AI: Eligible works must include a substantial use of AI-generated visual content as part of the filmmaking process. Both fully AI-generated and hybrid productions are accepted. The eligibility and relevance of AI integration, including at least one multimodal model, shall be determined by the WAIFF selection committee.

Format and Quality: the Film must be submitted in digital format (.mp4 or .mov) and in High Definition.

Language: The film must be in English or presented in its original language with English subtitles. (Finalists will be required to provide a French-subtitled version.)

Required Documents:

A representative still image from the Film (.jpeg)

A short presentation of the Film

A production journal detailing the use of Generative Artificial Intelligence tools in the creation of the Film

A biography or CV of the director

Submission Method: Films and the required documents must be uploaded to the official platform: www.worldaifilmfestival.com

5.8. WAIFF Horizons.

This competition is not accessible via the website.

Each international member of WAIFF has the opportunity to select and propose a film representing their country, **regardless of its genre or format.**

The selected film will automatically qualify for the WAIFF Official Selection and will **receive an invitation to the Awards Ceremony in Cannes.** The director or project representative may, if applicable, take the stage to receive the award.

Article 6 – Film Selection and Winner Designation.

6.1 Evaluation of Submissions and Technical Review of Films

The organizing entity will conduct an evaluation of all submissions and a technical review of all films submitted. Applications that do not meet the eligibility requirements or selection criteria will be excluded. Likewise, films that fail to meet

the required technical standards will be eliminated.

6.2 Artistic Selection of Finalists

Productions that pass the technical review will be examined by juries appointed by the EuropIA Institute and its partners. The finalist productions will be selected following this pre-selection and then submitted to the Jury's evaluation.

6.3 Jury Evaluation Criteria

The selection criteria include:

Overall Quality: The technical and narrative excellence of the production.

Integration of AI: How artificial intelligence has been used to enrich the content and storytelling.

Storytelling and Emotional Impact: The ability of the production to evoke emotions, provoke reflection, or engage the audience.

Technical and Aesthetic Quality: The overall production quality, including editing, special effects, and visual presentation for video productions.

1. 6.4 Designation of Winners by the Jury

Each submission will be scored from 1 to 10 on each of the criteria mentioned above, for a maximum of 40 points per judge. The highest average score will determine the winners. The judges' decisions are final and not subject to appeal.

Awards

At the end of the deliberations, the Jury will present awards to honor the excellence and creativity of the participants:

Alpes-Maritimes Department Prize, Best Youth Film

Best AI Short Film

Best IA (Official Selection) Masterpieces

Best Vertical micro-series / Vertical single piece

Best Advertising / Branded Content

Best Music Video

Best Documentary Film

Best 3D worlds

Best WAIFF Horizons

The nature and content of each award (trophy, certificate, professional opportunities, financial endowment, if any) are described in detail on the official WAIFF website at: www.worldaifilmfestival.com/awards. The Organizer reserves the right to modify the nature of the awards prior to the closing date of the submission period, subject to prior publication of the updated information on the official website. Awards are strictly personal and non-transferable. No financial

compensation shall be substituted for an award without the prior written agreement of both the Organizer and the recipient. If the awards include any financial endowment and a minor participant (as defined in Article 3.1) is among the recipients, the legal guardian(s) shall provide the Organizer with the coordinates of a trust account compliant with any applicable local legal requirements prior to any disbursement.

Article 7 –Professional Opportunities, Platform Partnerships, and Industry Support

WAIFF is committed to supporting creators, promoting emerging talent, and fostering ethical, transparent, and creator-respectful opportunities within the evolving AI cinema ecosystem.

These professional opportunities combine physical and digital components to address the needs of the industry, from production to promotion and distribution, in an open, inclusive and responsible environment.

WAIFF's ambitious industry program fosters creativity, co-production and the circulation of films.

Selected participants and award recipients may benefit from professional opportunities including:

visibility through curated showcases and catalogs,
introductions to production, distribution, and technology companies,
access to streaming and AI-native content platforms,
networking opportunities,
promotional support,
and participation in curated WAIFF channels, collections, exhibitions, or partner initiatives.

In order to support the visibility and distribution of selected works, participants grant WAIFF, Studio Laffitte, and their affiliated entities a non-exclusive, an additional compensation beyond the opportunities and visibility associated with participation in WAIFF (limited to the duration provided in these Regulations), to:

present,
promote,
curate,
exhibit,
reference,
and propose submitted works within official WAIFF-related channels, showcases, catalogs, partner platforms, and curated distribution environments.

This non-exclusive authorization includes the right for WAIFF to negotiate, establish, and participate in commercial or promotional partnerships with third-party platforms, distributors, broadcasters, streaming services, AI-native content ecosystems, and technology partners, including the creation of dedicated “WAIFF” channels, collections, showcases, or promotional environments featuring selected works.

Participants retain full ownership of their intellectual property rights and works at all times.

Any AI model training, dataset usage, or machine-learning usage by third-party platforms shall remain exclusively subject to the participant’s direct acceptance of the applicable third-party terms and conditions. Any commercial exploitation of a participant’s work by a third-party platform or partner shall remain subject to: the participant’s direct acceptance of the relevant third-party terms and conditions, and, where applicable, the participant’s direct contractual relationship with such platform or partner.

WAIFF may receive partnership fees, promotional compensation, revenue-sharing arrangements, or ecosystem participation from third-party platforms or partners in connection with the operation, promotion, or distribution of official WAIFF channels, showcases, or initiatives. Such arrangements shall not transfer ownership of participants’ works to WAIFF.

Nothing in these Regulations shall be interpreted as granting WAIFF exclusive ownership, exclusive exploitation rights, or direct control over participants’ works, unless expressly agreed through a separate written agreement.

WAIFF is committed to promoting creator-respectful and transparent partnerships within the AI cinema ecosystem.

Notwithstanding the foregoing, and in order to clarify the temporal scope of the license granted under Article 3.3 and this Article 7: the non-exclusive license granted to WAIFF, Studio Laffitte, and their affiliated entities is limited to a period of eighteen (18) months from the date of submission of the Work. Upon expiry of such period, any continued use of a participant's Work shall require the prior written consent of the rights holder. For Works that have received an official WAIFF award, participants additionally grant a non-exclusive license for a further period of five (5) years from the date of the Awards Ceremony, strictly limited to non-commercial uses (festival archive catalog, retrospectives, educational screenings, and historical publications of the festival), subject to systematic crediting of the author in any associated communication.

Article 8 – Identity Verification.

Participants authorize any verification of their identity and the information

provided to the Studio Laffitte. Any falsification, fraud, or inaccurate information will result in the immediate disqualification of the participant.

The Studio Laffitte declines all responsibility in the event of identity theft or fraud.

Article 9 – Protection of Personal Data.

The Organizer and its official partners are responsible data controller for the processing of participants' personal data, in compliance with the European General Data Protection Regulation (GDPR) No. 2016/679.

To participate in the Competition, the following participants' personal data will be is: Studio LAFFITTE, SAS, 73 chemin des Terriers, 06300 Antibes, France — contact@worldaifilmfestival.com.

Data collected: first name, last name, pseudonym, date of birth, country of residence, and email address. This data is necessary Legal basis: performance of the contract (participation in the Competition) for the management purposes; legitimate interest for promotional and communication purposes. Retention period: personal data shall be retained for a maximum period of three (3) years from the closing date of the Competition, unless a longer retention period is required by applicable law. International transfers: participants located outside the European Union acknowledge that their data may be transferred to and will only be used for this purpose processed in countries outside the EU in connection with the international operation of the Competition. Such transfers are carried out in accordance with applicable GDPR safeguards.

Participants' Rights:

Participants have, at any time, the right to access, rectify, transfer erase, restrict processing, and delete port their personal data, as well as the right to restrict its processing. They may also object to the processing of their data on legitimate grounds. These rights may be exercised by contacting: contact@worldaifilmfestival.com. Participants also have the right to lodge a complaint with the relevant supervisory authority (in France: the CNIL — www.cnil.fr). A full Privacy Policy is available at: www.worldaifilmfestival.com/privacy.

Article 10 – Liability of the Organizer.

The Organizer and its official partners cannot be held liable in the event of malicious intervention, technical problems, or any other disruption affecting the proper conduct of the Competition. Participation in the Competition implies acceptance of the risks associated with the use of the Internet, including the risk of data misuse or hacking.

The Organizer reserves the right to modify, suspend, shorten, extend, or cancel the

Competition if circumstances so require, without incurring any liability. In the event of cancellation of the Competition by the Organizer for reasons other than force majeure as defined under French law, entry fees already paid by participants shall be refunded in full within thirty (30) days of the cancellation announcement. In the event of force majeure, the Organizer shall use reasonable efforts to reschedule the Competition or to offer participants alternative participation options. The Organizer shall not be liable for any indirect or consequential damages arising from such modification, suspension, or cancellation.

Article 11 – Acceptance of the Rules.

Participation in the Competition implies full and unconditional acceptance of these Rules. Any claim or dispute relating to the Competition must be submitted in writing within one month from the closing date of the Competition(1) month from the date on which the contested decision was notified to the participant, or, in the absence of individual notification, within one (1) month from the date of the Awards Ceremony. Claims must be addressed to: contact@worldaifilmfestival.com and, simultaneously, by registered mail with acknowledgment of receipt to: Studio LAFFITTE, 73 chemin des Terriers, 06300 Antibes, France.

Any interpretation of the Rules will be decided by the Organizer, and its decision shall be final.

Any interpretation of the Rules shall be made by the Organizer in good faith, consistently, and in the interest of the integrity and fairness of the Competition. The Organizer's interpretation shall be applied uniformly to all participants in identical situations. In the event of a dispute, participants retain the right to submit their claim to the competent courts in accordance with applicable law. Nothing in this Article shall be construed as waiving any participant's right to judicial recourse.

Article 12 – Availability of the Rules.

The Rules are available free of charge on the World AI Film Festival's website at the following address: worldaifilmfestival.com. They may also be sent by email upon request to: contact@worldaifilmfestival.com

Article 13 – Contact for Information.

For any questions regarding the Competition, please contact the Organizer at the following address: contact@worldaifilmfestival.com

Article 14 – Governin Law and Jurisdiction

These Rules shall be governed by and construed in accordance with French law.

Any dispute arising out of or in connection with these Rules, which cannot be resolved amicably within thirty (30) days from written notice of the dispute, shall be submitted to the competent courts within the jurisdiction of the Court of Appeal of Aix-en-Provence, subject to any mandatory legal provisions granting jurisdiction to another court.

Notwithstanding the foregoing, participants who qualify as consumers under the law of their country of residence, and in particular under the law of the European Union, retain the right to bring proceedings before the courts of their place of domicile in accordance with Articles 17 to 19 of Regulation (EU) No. 1215/2012. Nothing in this Article shall be construed as depriving any consumer participant of such mandatory jurisdictional protections.
