

STRATEGIC PARTNERSHIP

Become part of the world's leading AI film ecosystem

WAIFF doesn't offer simple brand visibility. We integrate you into an active year-round ecosystem of creators, festivals, training programs, and industry projects — across every continent.

THE FESTIVAL IN NUMBERS

6,600+ Works submitted in 2026	80+ Countries represented	30M+ Target impressions in 2027	5 Continents covered
--	---	---	--

WHAT THE PARTNERSHIP OFFERS YOU

Global Exposure Presence at Cannes and in regional selections across Europe, Asia, the Americas, Africa, and the Middle East. Estimated media reach: 4.8M+ gross impressions.	Access to Creators Direct connection with filmmakers, AI content creators, agencies, and production teams active in the competition and parallel sections.
Named Award A co-branded prize presented at the official ceremony, featured in press releases, partner media, and WAIFF social channels.	AI Film Market Catalogue Full access to the international AI project database: short films, ads, animations, micro-series. A talent detection and market insight resource for your brand.
Panel & Speaking Slot A dedicated thematic panel in your image, with invited guests from the film industry, cultural institutions, or the creative sector.	Educational Integration Presence in WAIFF workshops, AI filmmaking training programs, and educational partnerships. Long-term positioning as a reference partner in creative curricula.

AVAILABLE COOPERATION MODULES

Official Partner Status	The title of 'WAIFF Global Partner' for use on your commercial materials, press releases, and social channels throughout the year.
Co-Branded Challenge	Launch of a dedicated open call under your brand, with custom selection criteria and showcase of the best works across your channels.

Regional Activation	Brand presence across 'Road to Cannes' stops in Europe, Asia, the Americas, and Africa. Option for enhanced local activation per region (+€20,000/region).
Industry Connections	Introductions to production companies, advertising agencies, brand content teams, and major international film projects.
Performance Report	Full end-of-partnership debrief: impressions, reach, media coverage, works generated, countries reached, and industry leads identified.

ESTIMATED MEDIA VALUE & ROI

€450,000+ Total media value (CPM €15 basis)	€400,000+ Reference budget for global partnership	€20,000 Activation fee per regional selection	ROI > 1 Value exceeds the investment
